riders six & up.*

*The learning, fun & games...in and
out of the saddle are unmatched
anywhere!*

2011 CAMPS

GREEN HORN CAMP

Perfect for the younger camper who is eager to learn and get the basics of horsemanship, riding and safety...spending hours in the saddle.

DRILL TEAM CAMP

Learn to ride your horse to music, stepping to the beat with the riders dressed alike. All moving as one, all loving the challenge and the performance. This camp is a great opportunity to really be in harmony with your horse and teammates. Drill Team is a fun way to grow tons of self-confidence and esteem and spend hours riding.

GYMKHANA CAMP

All our campers LOVE horse'n around and playing riding games. You've hit the goldmine! Barrels, ribbon race, pole weaving, flag race and more. These campers must have completed a previous camp. This camp is all about learning control, accuracy and harmony through teamwork with your horse. It's not only great training, but it's a blast.

If you have ridden at Fieldstone in previous camps or ride all year long, you may be able to jump right into the camp you want. Please contact your instructor for this information.

TRAIL READY

For those who want to get out on the trail, we will prepare you for what you may encounter on a trail ride with some arena work and trail riding on the property. Then finish the week with an off site trail ride at a near by state park. Extra charge for this camp is \$30.00 for transport costs.

JUMPING CAMP

This camp is for the rider who is ready to step it up a notch. Campers will get lots of experience learning the basics of riding their horse over a jump. Working up to riding a course.

IMPORTANT DETAILS

- Some specialty camps have a very limited enrollment. First come, first serve!
- A \$100 non-refundable deposit is due at time of registration to save your spot.
- *Balance due 2 weeks prior to camp date.*

For our parent's convenience and for a fee of \$3.00/hr, you may extend you child's stay with us before and after your specific Day Camp session.
