2. Lessons must be cancelled 48 hours in advance, or 24 hours in advance with doctor's note. Lessons cancelled less than 48 hours in advance, or 24 hours without a doctor's note, will be charged in full.

3. Payment for lessons is due on the day the lesson is given or in advance. We are happy to keep track of an account for each student paying in advance and will let you know when your balance is at or near zero.

4. Late payments will incur a \$5 late fee weekly unless other arrangements have been made *in advance*.

5. Lesson spots will not be held for extended absences unless a holding fee of \$20 per week is paid in advance.

6. Riders are responsible for properly caring for their own horse before and after a lesson. This includes grooming, tacking, properly cooling out, and putting away. Riders who are unable or unwilling to complete these tasks will be assisted by their instructor as part of their lesson time.

7. Riders are responsible for following all barn/facility rules posted by Fieldstone Farm.

8. Not all aspects of riding and horsemanship are learned in the arena on a horse. Some lessons will take place all or in part in the barn or on the ground.

9. As USEF members and USHJA/IHSA instructors and coaches, we are required to follow rules set forth by USEF and SafeSport. Please visit their websites and familiarize yourself with their rules regarding minors in and around the barn. These include but are not limited to:

- **All riders under 18 are required to have a parent or adult guardian present at all times while on barn property.**
- Parent/guardian must be in the ring during lessons.
- Text/email communication with riders must have a parent/guardian included in the conversation.

We apologize for any inconvenience these policies may cause. We are working as a team to continue to provide a safe and effective learning environment for all of our students while following these USEF and SafeSport imposed rules and guidelines.

I have received and understand the above policies.
